Further Explanation

(Local Government Act and Code of Conduct)

A conflict of interest exists where a reasonable and informed person would perceive that a Council official could be influenced by a private interest when carrying out their public duty. Interests can be of two types: pecuniary or non-pecuniary.

All interests, whether pecuniary or non-pecuniary are required to be fully disclosed and in writing.

Pecuniary Interest

A pecuniary interest is an interest that a Council official has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the Council official. (section 442)

A Council official will also be taken to have a pecuniary interest in a matter if that Council official's spouse or de facto partner or a relative of the Council official or a partner or employer of the Council official, or a company or other body of which the Council official, or a nominee, partner or employer of the Council official is a member, has a pecuniary interest in the matter. (section 443)

The Council official must not take part in the consideration or voting on the matter and leave and be out of sight of the meeting. (section 451)

Non-Pecuniary

A non-pecuniary interest is an interest that is private or personal that the Council official has that does not amount to a pecuniary interest as defined in the Act.

Non-pecuniary interests commonly arise out of family, or personal relationships, or involvement in sporting, social or other cultural groups and associations and may include an interest of a financial nature.

The political views of a Councillor do not constitute a private interest.

The management of a non-pecuniary interest will depend on whether or not it is significant.

Non Pecuniary – Significant Interest

As a general rule, a non-pecuniary conflict of interest will be significant where a matter does not raise a pecuniary interest, but it involves:

- (a) A relationship between a Council official and another person that is particularly close, for example, parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child of the Council official or of the Council official's spouse, current or former spouse or partner, de facto or other person living in the same household.
- (b) Other relationships that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship.
- (c) An affiliation between a Council official an organisation, sporting body, club, corporation or association that is particularly strong.

If a Council official declares a non-pecuniary significant interest it must be managed in one of two ways:

1. Remove the source of the conflict, by relinquishing or divesting the interest that creates the conflict, or reallocating the conflicting duties to another Council official.
2. Have no involvement in the matter, by taking no part in the consideration or voting on the matter and leave and be out of sight of the meeting, as if the provisions in section 451(2) apply.

Non Pecuniary – Less than Significant Interest

If a Council official has declared a non-pecuniary less than significant interest and it does not require further action, they must provide an explanation of why they consider that the conflict does not require further action in the circumstances.

RECOMMENDATION

That the Sub-Committee note the information outlined in the 2016 Aquatic Activities - Port Macquarie report and the verbal updated provided at the meeting.

Discussion

Council successfully applied to the Roads and Maritime Services (RMS) in 2015 to plan, stage and deliver a number of aquatic activities along the Hastings River as part of the Australia Day Celebrations planned for Port Macquarie. The approval for the Aquatic License was received by Council on Friday 22 January 2016.

The Aquatic activities were a way for Sailability to raise fund for the great work they do in the community. Through sponsorship of the commercial vessels that participated in the aquatic activities, all proceeds raised were collected by Sailability NSW - PMQ Branch to go towards assisting the continuation of their great work in providing an opportunity for people with a disability within our Community, to participate in sailing activities on the Hastings River.

The final Stakeholders briefing was held at 9.00am on the morning of the event (26 January 2016). The weather conditions on the day were very favourable and the all the planned aquatic activities were successfully held, with no recorded incidents.

It is estimated that over 15,000 people passed along the foreshore area throughout the entire day, stopping to watch the various aquatic activities as they took place.

Representatives from Sailability NSW have been invited to today's meeting to provide feedback to the Sub-Committee on the Aquatic Activities held as part of the Port Macquarie 2016 Australia Day celebrations.

RECOMMENDATION

That the Sub-Committee note the information contained in the 2016 Australia Day Awards report.

Discussion

This year Council received 29 nominations for the 2016 Port Macquarie-Hastings Council's Australia Day Awards. One nomination did not proceed to assessment stage due to the nominee not meeting the age criteria.

The Awards Presentation event was held in the Glasshouse Theatre on evening of Monday 25 January 2016. Both nominators and nominees for this year's Awards were extended an invitation to attend this free event and encouraged to bring along as many family, friends and supporters as they wished.

The event was well attended with just fewer than 400 people attending. The feedback received has been very positive.

Feedback is sought from the Sub-Committee on the Australia Day Awards event.

RECOMMENDATION

That the Sub-Committee note the information outlined in the 2015 Australia Day Ambassador Program report.

Discussion

Australia Day Ambassadors for 2016, husband and wife team Bruce Venables and Judy Nunn AM, travelled to our region by car on the afternoon of Monday 25 January 2016 and stayed at Rydges - Port Macquarie for their 3 day stay. The Ambassadors were briefed about the activities prior to the start of the Australia Day Awards to run through the details of the four (4) Australia Day events they would be participating in and answer any questions they may have in relation to their roles as each event.

The Ambassadors, Bruce and Judy, were very enthusiastic about visiting Port Macquarie and were looking forward to their Ambassador roles, which included:

- Presenting Awards at the Australia Day Awards;
- Assisting the Mayor with the Citizenship Ceremonies conducted at both Wauchope and Port Macquarie;
- Cutting the Australia Day Cake as part of the Wauchope celebration;
- Acceptance of their Australia Day Ambassador Pin from Councillor Levido;
- Meet and greet with members of our community;
- Signing of autographs and posing for photos with members from our community;
- Delivery of both of their Australia Day Addresses including a poem by Bruce.

Rydges - Port Macquarie kindly agreed to sponsor one nights' accommodation for our Ambassadors during their three day stay. A thank you has since been forwarded by Council to both David Capper and Jackie Lawler from Rydges - Port Macquarie, along with a copy of the Australia Day Awards Citation Booking displaying Rydges' logo.

Bruce and Judy have been contacted by Mayor Besseling to express his appreciation for their participation in our Australia Day celebrations. A reply email was received from Bruce and Judy and an extract from that email is provided below:-

Dear Peter,

The pleasure was entirely ours. As Judy said in her last speech and I entirely agree with her, the Port Macquarie Hastings Australia Day was, without doubt, one of the most, well-organised, enjoyable and uplifting events we've attended over the 20 years of our Ambassadorships, a credit to all involved. Your personal company and

that of your colleagues made our stay in Port Macquarie a memorable one. The generosity and community spirit shown by the people of your shire was heart-warming

Do give our best to all and we'll certainly make it back to Port someday.

Cheers for now,

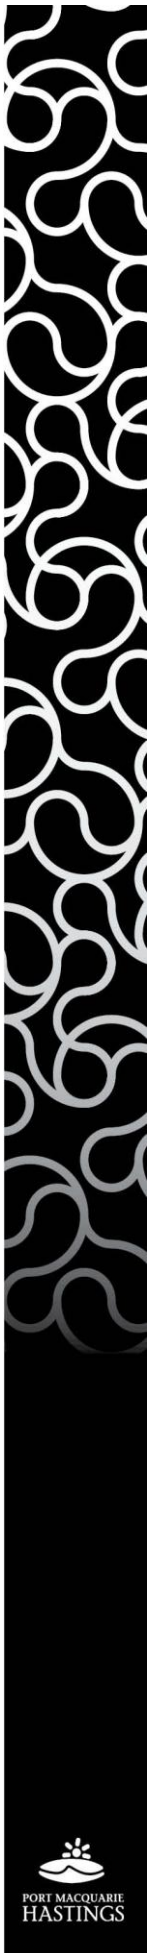

Bruce and Judy

Stage 5 - Evaluation of the Australia Day Ambassador Program - is an online survey and will be completed by Council prior to the deadline of 26 February 2016.

The Laurieton Australia Day activities kicked off with breakfast from 7.00am. The official party was piped across the small footbridge by a representative of the Hastings District Pipe Band. The official program commenced at 7.30am. The weather was favourable and it was estimated that approximately 200 members of our community attended this early morning event.

Feedback is sought on the activities staged at the rear of the Laurieton United Services Club. RECOMMENDATION

That the Sub-Committee provide feedback on the 2016 Australia Day Celebrations held in Wauchope.

Discussion

Wauchope Rotary Club representatives first contacted Council at 7.00am on Australia Day to advise that a decision to move the official ceremony from the Showground itself to inside the Wauchope Showground Hall had been made.

The event kicked off at 8.00am. The official ceremony commenced at 10.30am with the official party being lead along the pathway to inside the Showground Hall by members of the Hastings District Pipe Band.

The event was attended by approximately 300 members of our community, but numbers where considered to be down on the previous Wauchope Australia Day Celebrations.

Feedback from the Sub-Committee members is sought. Suggestions are also welcomed from Wauchope Rotary Members on any changes/inclusions to value-add for future Australia Day Celebrations to be held in Wauchope.

Presented by: Community and Economic Growth, Tricia Bulic

RECOMMENDATION

That the Sub-Committee provide feedback on the 2016 Australia Day Celebrations held in Port Macquarie.

Discussion

For the first time in a number of years the weather conditions in Port Macquarie were very favourable for the staging of the Port Macquarie 2015 Australia Day Celebrations on Town Green.

The event kicked off at 8.00am and continued until 7.00pm, with some market stall holders continuing to trade until late in the afternoon. As outlined in the Australia Day Aquatic Activities report, it was estimated that approximately 15,000 people moved through Town Green throughout the entire event.

The official program commenced with the Hastings District Pipe Band escorting the official party along the foreshore area, arriving on Town Green at 3.00pm. Emcee for the afternoon Lynn Lelean acknowledged and thanked the Hastings District Pipe Band for participating at all three (Laurieton, Wauchope & PMQ) Australia Day Celebrations.

"Hastings Got Talent" attracted 10 registrations (2 online via Council's website and 8 taken on the day registrations). The talent quest attracted approximately 200 people who supported the acts on stage.

Feedback on the event is sought from Sub-Committee members, with any suggested changes/inclusions to value-add for future Australia Day Celebrations to be held in Port Macquarie.

2017 Australia Day Celebrations proposed for Town Green Port Macquarie could be impacted by the relocation of the cenotaph from its current location on Town Green to the centre median in the northern end of Horton Street (see image attached).

Information has been sought on the final layout of the proposed changes to Town Square and the timeline for the works to be completed. At the time of writing this report it is advised that no timeline for the construction of the works is available other than it will take place during the 2016/2017 financial year.
