The Chairperson proposed the following motion:

MOTION:

"That DA2016 - 405.1 for a function centre at Lot 2, DP 1089754, No. 190 Hewens Road, Brombin, be determined by refusing consent for the following reasons:

1. The proposal will result in a land use conflict.
2. The proposal will result in an incompatibility of land uses.
3. Conditions of consent are unenforceable.
4. The primary land use in the locality is agriculture and the proposal conflict with this.
The primary land use should prevail.
5. Any approval will run with the land and not the applicant.

-
6. Temporary consents are not designed for function centres but rather one-off activities.
 7. It is not good planning practice for an approval that is clearly anti-pathetic to existing adjoining land uses that have determinative weight.
 8. It is not appropriate to approve a temporary use that would cost significant funds to establish.
 9. A continuous temporary use is not in the interest of the applicant, neighbours or the Council.
 10. Permitting 1 event per week is not appropriate.”

There was no seconder for the motion and the motion lapsed.

The Chairperson then proposed the following motion:

MOTION:

That DA2016 - 405.1 for a function centre at Lot 2, DP 1089754, No. 190 Hewens Road, Brombin, be determined by granting consent, subject to the recommended conditions and subject to the following amendment:

- Amend condition A11 to read: “ bus service to and from the function centre is required for functions/events exceeding 50 patrons.”

The Panel was unanimous in supporting this motion.
