Economic Development Steering Group

CHARTER

1.0 INTRODUCTION

The EDSG will provide a forum in which local government and business and industry leaders can discuss and debate, plan and progress local and regionally significant economic outcomes that continue the growth of the economy in the local government area.

The EDSG is to be an interactive group that provides a forum for developing the strategic economic development direction for the local government area. The EDSG is committed to collaboration, innovation and development of a 'whole-of-place' approach for the purpose of promoting local product and industry on a state, national and global market.

2.0 OBJECTIVES

The objectives of the EDSG are to:

- 2.1 Assist Council in the development of the overarching strategy for economic development across the local government area. The contents of this strategy will largely be based on the contents of this Terms of Reference (TOR) document.
- 2.2 Assist Council in developing an overarching economic development action plan incorporating whole-of-Council initiatives as well as internal division-specific initiatives.
- 2.3 Noting Council's agreed role, assist Council in the development of a plan that undertakes to prioritise various sectors and initiatives where Council can get the best leverage and value-add from carrying out its role.
- 2.4 Assist Council in the identification, prioritisation and establishment of industry-specific working groups. The objective of each working group is to develop industry specific strategies and action plans that feed into the overarching economic development action plan. Council will be accountable for carrying out its defined role within each plan and it is envisaged that EDSG member organisations will also have accountable roles within each plan.
- 2.5 Assist Council in the development of criteria by which to measure the success of the strategy;
- 2.6 Assist Council in the development of whole-of-place marketing strategy which includes tourism and destination marketing;
- 2.7 Assist Council in the prioritisation of its resources in economic development;
- 2.8 Following development of the above-mentioned strategy, the EDSG will assist Council in determining the most appropriate ongoing structure and budget to best achieve the following goals:

- a. Participate in regular meetings with Councillors and Council staff with the aim of monitoring the implementation of the strategy by all parties;
- b. To provide and receive two-way feedback from business and industry to Council

Once objectives 2.1 to 2.8 have been achieved and Council has adopted a proposed course of action and the relevant plans, the current charter of the EDSG will have been fulfilled.

It should be noted that the EDSG has no delegation to allocate funding on behalf of Council. The EDSG may make recommendations to Council about how funding should be spent in relation to the above-mentioned objectives, however those funds will only be applied and expended following a formal resolution of Council.

3.0 MEMBERSHIP

A formal Expression of Interest (EOI) process will be undertaken across the local government area as a way of determining the independent representatives on the EDSG. Members of the EDSG will be representative of all business interests across the local government area rather than a single business issue and be able to demonstrate conceptual and forward-thinking skills. Further Explanation

(Local Government Act and Code of Conduct)

A conflict of interest exists where a reasonable and informed person would perceive that a Council official could be influenced by a private interest when carrying out their public duty. Interests can be of two types: pecuniary or non-pecuniary.

All interests, whether pecuniary or non-pecuniary are required to be fully disclosed and in writing.

Pecuniary Interest

A pecuniary interest is an interest that a Council official has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the Council official. (section 442)

A Council official will also be taken to have a pecuniary interest in a matter if that Council official's spouse or de facto partner or a relative of the Council official or a partner or employer of the Council official, or a company or other body of which the Council official, or a nominee, partner or employer of the Council official is a member, has a pecuniary interest in the matter. (section 443)

The Council official must not take part in the consideration or voting on the matter and leave and be out of sight of the meeting. (section 451)

Non-Pecuniary

A non-pecuniary interest is an interest that is private or personal that the Council official has that does not amount to a pecuniary interest as defined in the Act.

Non-pecuniary interests commonly arise out of family, or personal relationships, or involvement in sporting, social or other cultural groups and associations and may include an interest of a financial nature.

The political views of a Councillor do not constitute a private interest.

The management of a non-pecuniary interest will depend on whether or not it is significant.

Non Pecuniary – Significant Interest

As a general rule, a non-pecuniary conflict of interest will be significant where a matter does not raise a pecuniary interest, but it involves:

- (a) A relationship between a Council official and another person that is particularly close, for example, parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child of the Council official or of the Council official's spouse, current or former spouse or partner, de facto or other person living in the same household.
- (b) Other relationships that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship.
- (c) An affiliation between a Council official an organisation, sporting body, club, corporation or association that is particularly strong.

If a Council official declares a non-pecuniary significant interest it must be managed in one of two ways:

1. Remove the source of the conflict, by relinquishing or divesting the interest that creates the conflict, or reallocating the conflicting duties to another Council official.
2. Have no involvement in the matter, by taking no part in the consideration or voting on the matter and leave and be out of sight of the meeting, as if the provisions in section 451(2) apply.

Non Pecuniary – Less than Significant Interest

If a Council official has declared a non-pecuniary less than significant interest and it does not require further action, they must provide an explanation of why they consider that the conflict does not require further action in the circumstances.
