Pecuniary Interest

4.1 A pecuniary interest is an interest that you have in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to you or a person referred to in clause 4.3.

4.2 You will not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision you might make in relation to the matter, or if the interest is of a kind specified in clause 4.6.

4.3 For the purposes of this Part, you will have a pecuniary interest in a matter if the pecuniary interest is:
   (a) your interest, or
   (b) the interest of your spouse or de facto partner, your relative, or your partner or employer, or
   (c) a company or other body of which you, or your nominee, partner or employer, is a shareholder or member.

4.4 For the purposes of clause 4.3:
   (a) “Your relative” is any of the following:
      i) your parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child
      ii) your spouse’s or de facto partner’s parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child
   (b) “De facto partner” has the same meaning as defined in section 21C of the Interpretation Act 1987.

4.5 You will not have a pecuniary interest in relation to a person referred to in subclauses 4.3(b) or (c)
   (a) if you are unaware of the relevant pecuniary interest of your spouse, de facto partner, relative, partner, employer or company or other body, or
   (b) just because the person is a member of, or is employed by, a council or a statutory body, or is employed by the Crown, or
   (c) just because the person is a member of, or a delegate of a council to, a company or other body that has a pecuniary interest in the matter, so long as the person has no beneficial interest in any shares of the company or body.

Non-Pecuniary

5.1 Non-pecuniary interests are private or personal interests a council official has that do not amount to a pecuniary interest as defined in clause 4.1 of this code. These commonly arise out of family or personal relationships, or out of involvement in sporting, social, religious or other cultural groups and associations, and may include an interest of a financial nature.

5.2 A non-pecuniary conflict of interest exists where a reasonable and informed person would have reason to believe that you could be influenced by a private interest when carrying out your official functions in relation to a matter.

5.3 The personal or political views of a council official do not constitute a private interest for the purposes of clause 5.2.

5.4 Non-pecuniary conflicts of interest must be identified and managed so as to uphold the public confidence in the probity of council decision-making. The onus is on you to identify any non-pecuniary conflict of interest you may have in matters that you deal with, to disclose the interest fully and in writing, and to take appropriate action to manage the conflict in accordance with this code.

5.5 When considering whether or not you have a non-pecuniary conflict of interest in a matter you are dealing with, it is always important to think about how others would view your situation.

Managing non-pecuniary conflicts of interest

5.6 Where you have a non-pecuniary conflict of interest in a matter for the purposes of clause 5.2, you must disclose the relevant private interest you have in relation to the matter fully and in writing as soon as practicable after becoming aware of the non-pecuniary conflict of interest and on each occasion on which the non-pecuniary conflict of interest arises in relation to the matter. In the case of members of council staff other than the general manager, such a disclosure is to be made to the staff member’s manager. In the case of the general manager, such a disclosure is to be made to the mayor.

5.7 If a disclosure is made at a council or committee meeting, both the disclosure and the nature of the interest must be recorded in the minutes on each occasion on which the non-pecuniary conflict of interest arises. This disclosure constitutes a pecuniary conflict of interest will be significant where it does not involve a pecuniary interest for the purposes of clause 4.1, but it involves:
   a) a relationship between a council official and another person who is affected by a decision or a matter under consideration that is particularly close, such as a current or former spouse or de facto partner, a relative for the purposes of clause 4.4 or another person from the council official’s extended family that the council official has a close personal relationship with, or another person living in the same household
   b) other relationships with persons who are affected by a decision or a matter under consideration that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship,
   c) an affiliation between the council official and an organisation (such as a sporting body, club, religious, cultural or charitable organisation, corporation or association) that is affected by a decision or a matter under consideration that is particularly strong. The strength of the council official’s affiliation with an organisation is to be determined by the extent to which the council official actively participates in the management, administration or other activities of the organisation.
   d) membership, as the council’s representative, of the board or management committee of an organisation that is affected by a decision or a matter under consideration, in circumstances where the interests of the council and the organisation are potentially in conflict in relation to the particular matter
   e) a financial interest (other than an interest of a type referred to in clause 4.6) that is not a pecuniary interest for the purposes of clause 4.1
   f) the conferment or loss of a personal benefit other than one conferred or lost as a member of the community or a broader class of people affected by a decision.

5.10 Significant non-pecuniary conflicts of interest must be managed in one of two ways:
   a) by not participating in consideration of, or decision making in relation to, the matter in which you have the significant non-pecuniary conflict of interest and the matter being allocated to another person for consideration or determination, or
   b) if the significant non-pecuniary conflict of interest arises in relation to a matter under consideration at a council or committee meeting, by managing the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.28 and 4.29.

5.11 If you determine that you have a non-pecuniary conflict of interest in a matter that is not significant and does not require further action, when disclosing the interest you must also explain in writing why you consider that the non-pecuniary conflict of interest is not significant and does not require further action in the circumstances.

5.12 If you are a member of staff of council other than the general manager, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of your manager. In the case of the general manager, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of the mayor.

5.13 Despite clause 5.10(b), a council official who has a significant non-pecuniary conflict of interest in a matter, may participate in a decision to delegate consideration of the matter in question to another body or person.

5.14 Council committee members are not required to declare and manage a non-pecuniary conflict of interest in accordance with the requirements of this Part where it arises from an interest they have as a person chosen to represent the community, or as a member of a non-profit organisation or other community or special interest group, if they have been appointed to represent the organisation or group on the council committee.

Subject: RECOGNITION OF PREVIOUS MAYORS IN THE LGA

Presented by: Development and Environment, Melissa Watkins

RECOMMENDATION

That the Town Centre Master Plan Sub-Committee further consider the request to recognise former Mayor Mr Bob Woodlands.

Discussion

A report was presented to the TCMP Sub Committee in March 2020, requesting consideration be given to commemorate former Mayor Mr Bob Woodlands for his association with the development of the Port Macquarie Town Green. The March report is attached for reference.

At the time, the Sub Committee requested information on recognition of previous Mayors across the local government area (LGA).

To staff’s knowledge, there are three Council Mayors who have received formal recognition of their service to Council in our LGA in more recent times.

In 1987, Port Macquarie Municipal Council Mayor CC Mac Adams, had the Music Centre in the car park adjacent to the Port Macquarie Swimming Pool named after him. This was in appreciation of his efforts to secure funding from the Federal Government and the support of local business operators for this purpose built facility which is still being used today.

During his term as Mayor, Wayne Richards drove the campaign for the construction of a first-class sporting facility for the Hastings community, seeking support and funding from the Federal and State governments. Following his untimely death in 2003, a decision was made in 2005 to name the then new facility in Koala St ‘Wayne Richards Park’ as testimony to his vision and determination.

More recently, Alban Charles Elliot, MC who was Port Macquarie’s longest serving Mayor from 1925-1936, had two roads leading down to Town Beach named after him - Alban Place and Elliot Way. Earlier this year, a plaque was unveiled honouring his civic service to our community and his military service in WWI and WWII which resulted in him being awarded the Military Cross for bravery shown at the Battle of Polygon Wood in 1917.

Since 2012, Council have received requests for both Mr Bob Woodlands and Mr Norm Matesich to be recognised. Consideration was given to naming one of the public meeting rooms in Council’s Officers after each of these Mayors but this never progressed.

Subject: REQUEST FOR COMMEMORATION MAYOR BOB WOODLANDS’ CONTRIBUTION TO TOWN GREEN

Presented by: Strategy and Growth, Jeffery Sharp

RECOMMENDATION

That the Town Centre Master Plan Sub-Committee consider the request and potentially refer the matter to the March 2020 Ordinary Council Meeting for resolution.

Discussion

Council have received a request from Mr Ron Mooney for the former Mayor Mr Bob Woodlands, to be commemorated for his association with the Port Macquarie Town Green (see attachments).

Staff suggest that the former Mayor’s contribution to the Port Macquarie Town Green be recognised by way of a small plaque to be placed on a seat in Town Green.

Staff will provide further details regarding the request at the meeting.

Hi Lisa,

This finds you well. I'm in Alaska - flying out 20-21 to come 5/7.

We met at the George Bin Flagg setting in Ben Park. We "I" talked about the Town green. How Bob Woodlands played a major role when it all played out like this.

1. I was on the Board/Development. Hastings
   (Ken Free C.O. at)

   We were being (the fishing port of NSW) upgraded
   Port Macquarie then came up with $20,000 (now $73,000 was allocated to PA)
   how ever the Town had to agree.
   We had to have an open public meeting so
   the public at large could vote yes or
   no.

2. Public meeting was held. Two groups
   and voters tried their best to get
   the spending (upgrade of the Port) postponed.
   "They didn't like their fingers in the pie,"
   Doolan and Giuseppe left the meeting when
   a vote of 135 to 27 voted yes, go
   ahead, steam exploded from their tanks.
While at the meeting, I approached the Dept of Works Engineers for the Westbil Pod to be regraded - Requested finger wharves, but just a walk on footprint included - But now the Town has the original requested finger wharves.

3) Bob Woodlands was the Mayor - he (Bob) approached the Chief of Board and put forward a proposal, "Would you (Cotb) agree to me "Bob" creating a Rock Wall - from end of existing Breakwall to where fishing boat now takes off" and laying sand/shell gravel on inside of said wall and, when the Dept of Works dredges the channel to fish to off - all dredged material be placed inside of said wall."

In Unison we replied "go for it Bob" so the Town Green was at least expanded x 3 times in one hit. Bob Woodlands needs to be remembered in some way in association with the "Town Green".

Peace Hell

Regards Tony Hennay

P.T.O.
Previous: Dredging material went all onto Pelican Island! After rain we knew where all the dredged material ended up. (Back in the channel).

Bob got us a workable channel and a spacious from green all in one hit.

RIP in Peace "Bob"
To Petra,

Hi, thanks for the covering note - was wondering if I should write again - never intended for the Town Green to be renamed Bob Woodlands - all I wanted was some small acknowledgement of his part in extending the Town Green to its size now (such as a small plaque in a corner etc) agrees with when when we had a bandstand etc at the end of Horton Parade as a concrete jungle full of cars (plastics) first it had to have any faith in local government as to when we have a system where a person with 150 votes is in council where a person
with over 1000 doesn’t fit.

Also,

You asked for input a while back. The road in Vaugh St PM was listed to be redone over 15 years ago.

When I inquired as asked I was told it (the road) is beyond repair and won’t be done for at least 5 years.

Only time anything is done is when a block is DA developed and (you) enforce a road of AOS to footpath kerb guttering, etc. I pay a tax of 6% of my 4 bedroom rate — get nothing in my street for the cash input. Not fair.

PORT MACQUARIE NSW 2444

Dear Mr Mooney

Request to Name the Port Macquarie Town Green after the late Bob Woodlands

Thank you again for your correspondence to Council last year requesting consideration of naming the Port Macquarie Town Green after the late Mayor and Alderman, Bob Woodlands.

Firstly, please accept my sincere apologies in providing a formal response to your correspondence. Unfortunately, a formal response to you was inadvertently overlooked and I again apologise for this.

At the Ordinary Council Meeting held in October 2017, Council resolved to place on public exhibition revised policies relating to the Naming and Renaming of Reserves and Roads. Following exhibition of the draft policies, a further report was tabled at the Ordinary Council Meeting held on 13 December 2017, wherein the revised policies were adopted.

A copy of the “Naming and Renaming of Reserves” policy and the “Naming and Renaming of Roads” policy are attached for your information. Both policies state that the use of names of people (living and deceased) are excluded as a source of reserve and road names, except in exceptional circumstances by a formal resolution of Council.

The dedication and commitment to our local area by the former Mayor and Alderman, Bob Woodlands, is acknowledged and I thank you for writing to Council with this suggestion. However, at this point in time, it is not intended to rename the Town Green in Bob’s memory.

Thank you again for writing to Council and again please accept my sincere apology for the length of time to respond.

Yours sincerely

Peta Pinson

Subject: SPECIAL ENCLAVE PLACE ENTRY SIGN - CLARENCE PLACE

Presented by: Development and Environment, Melissa Watkins

**RECOMMENDATION**

That the Town Centre Master Plan Sub-Committee concur with the proposed funding source for the supply and installation of the Clarence Place entry sign.

**Discussion**

At the November 2019 monthly meeting, Council presented the Town Centre Master Plan Sub-Committee (the Sub-Committee) with 3 options for a place making special enclave entry sign. Option 1 was chosen by the Sub-Committee, which is a bluestone stone plinth with ‘Clarence Place’ embossed to match the Town Square entry sign. These are to set the precedent for future ‘Place’ entry signs for street end extents near the foreshore.

Subsequently, 2 quotes were requested with the lowest at $4,745, from the supplier for the Town Square plinth. Another $2,000 of costs is estimated to include footings, installation, plant bed reinstatement and traffic management.

It is proposed to fund this sign from the Port Macquarie Town Centre Master Plan Operating / Maintenance Works budget. Council also proposes that a ‘Place-making’ budget item be created with the required $7,000 transferred to this new budget item from Landscape Maintenance, currently with a $107,004 annual budget.
