---

The Acknowledgement of Country was delivered.

---

---

**02 APOLOGIES**

---

The Chair advised that Councillor Dixon was the Deputy Chair and has resigned from Council.

Apologies were received from:

- Sgt David Finch, NSW Police who advised by email (attached) he has no objections to any of the proposals or recommendations listed on the agenda.
- Carl Eades of Port Taxi's.

---

### **03 CONFIRMATION OF MINUTES**

Majority Support:

Council - yes

TfNSW - yes

Police - yes – via email confirmation

Member for Oxley - nil

Member for Port Macquarie - nil

#### **RECOMMENDATION**

That the Minutes of the Local Traffic Committee Meeting held on 10 February 2021 be confirmed.

---

### **04 DISCLOSURES OF INTEREST**

There were no disclosures of interest presented.

---

### **05 BUSINESS ARISING FROM PREVIOUS MINUTES**

Nil.

---

### **06 WATONGA STREET - TAXI ZONE EXTENSION**

Majority Support:

Council - yes

TfNSW - yes

Police – yes - via email confirmation

Member for Oxley - nil

Member for Port Macquarie - nil

Discussion:

The Busways representative advised that the bus stop that is next to the Taxi zone is only a school bus stop, so an adjustment could be investigated to allow parking outside of the school bus times.

---

Council advised they would carry out investigations into the times that the bus zone is used with the view to changing the times to cater for the school times.

#### RECOMMENDATION

That it be a recommendation to the Director Infrastructure, under sub-delegation, for implementation:

That Council changes the existing 'Taxi Zone 8.00pm-6.00am' (Monday to Sunday) parking restrictions on Watonga Street, Port Macquarie adjacent to Watonga Shopping Precinct, to 'Taxi Zone' (24-hours, Monday to Sunday).

---

#### **07 89 LAKE ROAD, PORT MACQUARIE - PROPOSED 5 MINUTE PARKING TIME RESTRICTIONS**

Majority Support:

Council - yes

TfNSW - yes

Police – yes – via email confirmation

Member for Oxley - nil

Member for Port Macquarie - nil

#### RECOMMENDATION

That it be a recommendation to the Director Infrastructure, under sub-delegation, for implementation:

That Council changes the existing unrestricted parking outside 89 Lake Road, Port Macquarie to '5 Minute, Monday to Friday, 8am – 4.30pm and weekends 8am – 2pm to coincide with the NSW Health COVID-19 testing clinic operating hours.

---

#### **08 CLARENCE STREET - BICENTENARY EVENT - LUMINERE**

Majority Support:

Council - yes

TfNSW - yes

Police – yes – via email confirmation

Member for Oxley - nil

Member for Port Macquarie - nil

Discussion:

Clr Intemann noted point 3 to ensure that there is disability parking in the recommendation.

TfNSW representative noted that all Traffic Guidance Scheme documents must be signed by the accredited traffic controller.

RECOMMENDATION

That it be a recommendation to the Director Infrastructure, under sub-delegation, for implementation:

That Council approve the temporary road closure and support the associated transport management arrangements associated with the Port Macquarie-Hastings Bicentenary 2021 on 10 April 2021, between 5:30pm and 9:30pm, subject to the following conditions:

1. That the event organiser advertise, at no cost to Council, the following details of all temporary road closures and temporary parking restrictions associated with this event in the local print media on separate days, at least twice (2) within 14 days prior to the event:
  - temporary road closure times and duration
  - temporary parking restrictions times and duration
  - alternative routes and access arrangements.
2. That the event organiser advertise the event by undertaking a letter box drop to all residents and businesses directly affected by the temporary road closures and temporary parking restrictions at least 14 days prior to the event, advising the following:
  - event name
  - event times
  - contact details of at least two (2) people involved in the organisation of the Event, in case of an emergency
  - proposed actions to be undertaken to mitigate the impact of the temporary road closures and temporary parking restrictions.
3. The event organiser prepare a Traffic Management Plan (TMP) and provide to Council at least 14 days prior to the event, including a strategy for temporary relocation of affected accessibility parking areas.
4. That the attached Traffic Guidance Schemes (TGS) dated -24 February 2021 be implemented. Any modifications to the plans must be agreed with Council prior to the running of the event.
5. That the event organiser abides by the written approval from the NSW Police.
6. That the event organiser notify the NSW Ambulance, NSW Fire & Rescue, NSW Rural Fire Service and the State Emergency Service of the proposed road closures at least 14 days in advance of the event.
7. That the event organiser notifies local Transport Services (Bus Companies, Taxis) of the proposed road closures at least 14 days in advance of the event and assists in developing alternatives for affected users.
8. TfNSW/SafeWork NSW accredited persons (Implement Traffic Control Plans) are to be used for the establishment and removal of the traffic control devices.

- 
9. TfNSW/SafeWork NSW accredited traffic controllers (Traffic Controller) are to be used to control traffic.
  10. That the event organiser abides by any other condition that Council and the Police may impose at any time.
  11. That the event organiser submit to Council 14 days prior to the commencement of the event evidence of Public Liability Insurance for the amount of \$20 million, which is valid for the duration of the event, including placement and removal of traffic control devices.
  12. The event organiser must have this approval and the Transport Management Plan and Traffic Guidance Scheme described above on site at all times for the duration of the event.
  13. That a review of the implementation of the Traffic Management Plan (TMP) be undertaken by the proponent within three months of the conclusion of the event. The review is to be in consultation with Council and other services so that the TMP can be further refined and any issues identified can be addressed prior to any future events.

## **09 TRAFFIC AND ENGINEERING MATTERS**

---

### Discussion:

#### Ferry and additional bus services from the North Shore:

- Busways advised that they will raise this issue with TfNSW to discuss extension to services. Busways advised that the customer's appeal for additional services should also be raised through TfNSW and their Local Member.
- TfNSW representative will raise customer concerns and advise the LTC at the next meeting what evidence is required from TfNSW to facilitate that decision making process for additional services
- T&S Engineering Planning Manager advised that the Developer for Sovereign Hills area contacted Council about the current school bus stop. The developer advised that he has been in contact with Busways, TfNSW and the local members. Busways advised that the services out to Sovereign Hills will be part of the service expansions under the '16 cities' initiative.

#### Speeding and traffic control measures Abel Tasman Drive Lake Cathie:

- SGT Daniel Finch, NSW Police representative was not in attendance. Therefore this issue will be followed up with further correspondence to ensure the Police are aware of the complaint.

### RECOMMENDATION

That the issues being referred to the Local Traffic Committee regarding Traffic and Engineering Matters be noted.

---

## **10 GENERAL BUSINESS**

---

### **10.01 WELCOME TO COUNTRY**

---

The Group Manager Infrastructure Planning requested that Governance check to see if the template "Acknowledgement of country" is the most up to date version.

**RECOMMENDATION:**

The Group Manager Governance be requested to confirm if the template "Acknowledgement of country" is the most up to date version.

---

### **10.02 REPRESENTATION FROM MEMBERS OF PARLIAMENT OFFICES**

---

The LTC meetings are not attend by representation from the Members of Parliament's offices. Clr Intemann asked what implications does this have and what we can do to encourage their attendance. A request was made to escalate this issue to remind them of relevance of the traffic committee and the desirability of them to attend. TfNSW representative concurred with this comment and noted that representation from Members of parliament in other LGA's was regular occurrence at LTC meetings.

**RECOMMENDATION:**

Request Director of Infrastructure write to Members of Parliament to request their attendance, or that of a nominee, at the Local Traffic Committee meetings.

---

### **10.03 BOOM GATES AT WAUCHOPE TRAIN STATION**

---

Clr Intemann raised the ongoing issue of the boom gates closing early when the train heading south bound goes across the bridge at Wauchope. This is causing traffic to bank on the highway and into the central area of the Wauchope township. There are escalating concerns about access for emergency services. GMIP advised that this issue has been raised through the Joint Transport Planning Advisory Group Meeting with Transport for NSW. The TfNSW representative advised that she would also escalate this issue as well.

**RECOMMENDATION:**

TfNSW to provide feedback to next LTC meeting on the boom gate closures at the Wauchope Train Station for the south bound train.

---

---

**10.04 RESIGNATION OF COUNCILLOR DIXON**

---

Clr Intemann noted the resignation of Clr Dixon as Deputy Chair of the LTC and sought clarification if a replacement was required for the remaining period of the current Council.

**RECOMMENDATION:**

Governance to confirm that a Deputy Chair is not required to be replaced by a current Councillor for the remaining Council period and in those instances where a Deputy Chair is required that the Director Infrastructure or their delegate performs the role.

---

The meeting closed at 1:43pm.

*(Refer to next page and the Code of Conduct)*

**Pecuniary Interest**

- 4.1 A pecuniary interest is an interest that you have in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to you or a person referred to in clause 4.3.
- 4.2 You will not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision you might make in relation to the matter, or if the interest is of a kind specified in clause 4.6.
- 4.3 For the purposes of this Part, you will have a pecuniary interest in a matter if the pecuniary interest is:
- your interest, or
  - the interest of your spouse or de facto partner, your relative, or your partner or employer, or
  - a company or other body of which you, or your nominee, partner or employer, is a shareholder or member.
- 4.4 For the purposes of clause 4.3:
- Your "relative" is any of the following:
    - your parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child
    - your spouse's or de facto partner's parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child
    - the spouse or de facto partner of a person referred to in paragraphs (i) and (i)
  - "de facto partner" has the same meaning as defined in section 21C of the *Interpretation Act 1987*.
- 4.5 You will not have a pecuniary interest in relation to a person referred to in subclauses 4.3(b) or (c)
- if you are unaware of the relevant pecuniary interest of your spouse, de facto partner, relative, partner, employer or company or other body, or
  - just because the person is a member of, or is employed by, a council or a statutory body, or is employed by the Crown, or
  - just because the person is a member of, or a delegate of a council to, a company or other body that has a pecuniary interest in the matter, so long as the person has no beneficial interest in any shares of the company or body.

**Non-Pecuniary**

- 5.1 Non-pecuniary interests are private or personal interests a council official has that do not amount to a pecuniary interest as defined in clause 4.1 of this code. These commonly arise out of family or personal relationships, or out of involvement in sporting, social, religious or other cultural groups and associations, and may include an interest of a financial nature.
- 5.2 A non-pecuniary conflict of interest exists where a reasonable and informed person would perceive that you could be influenced by a private interest when carrying out your official functions in relation to a matter.
- 5.3 The personal or political views of a council official do not constitute a private interest for the purposes of clause 5.2.
- 5.4 Non-pecuniary conflicts of interest must be identified and appropriately managed to uphold community confidence in the probity of council decision-making. The onus is on you to identify any non-pecuniary conflict of interest you may have in matters that you deal with, to disclose the interest fully and in writing, and to take appropriate action to manage the conflict in accordance with this code.
- 5.5 When considering whether or not you have a non-pecuniary conflict of interest in a matter you are dealing with, it is always important to think about how others would view your situation.

**Managing non-pecuniary conflicts of interest**

- 5.6 Where you have a non-pecuniary conflict of interest in a matter for the purposes of clause 5.2, you must disclose the relevant private interest you have in relation to the matter fully and in writing as soon as practicable after becoming aware of the non-pecuniary conflict of interest and on each occasion on which the non-pecuniary conflict of interest arises in relation to the matter. In the case of members of council staff other than the Chief Executive Officer, such a disclosure is to be made to the staff member's manager. In the case of the Chief Executive Officer, such a disclosure is to be made to the mayor.
- 5.7 If a disclosure is made at a council or committee meeting, both the disclosure and the nature of the interest must be recorded in the minutes on each occasion on which the non-pecuniary conflict of interest arises. This disclosure constitutes disclosure in writing for the purposes of clause 5.6.
- 5.8 How you manage a non-pecuniary conflict of interest will depend on whether or not it is significant.
- 5.9 As a general rule, a non-pecuniary conflict of interest will be significant where it does not involve a pecuniary interest for the purposes of clause 4.1, but it involves:
- a relationship between a council official and another person who is affected by a decision or a matter under consideration that is particularly close, such as a current or former spouse or de facto partner, a relative for the purposes of clause 4.4 or another person from the council official's extended family that the council official has a close personal relationship with, or another person living in the same household
  - other relationships with persons who are affected by a decision or a matter under consideration that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship.
  - an affiliation between the council official and an organisation (such as a sporting body, club, religious, cultural or charitable organisation, corporation or association) that is affected by a decision or a matter under consideration that is particularly strong. The strength of a council official's affiliation with an organisation is to be determined by the extent to which they actively participate in the management, administration or other activities of the organisation.
  - membership, as the council's representative, of the board or management committee of an organisation that is affected by a decision or a matter under consideration, in circumstances where the interests of the council and the organisation are potentially in conflict in relation to the particular matter
  - a financial interest (other than an interest of a type referred to in clause 4.6) that is not a pecuniary interest for the purposes of clause 4.1
  - the conferral or loss of a personal benefit other than one conferred or lost as a member of the community or a broader class of people affected by a decision.
- 5.10 Significant non-pecuniary conflicts of interest must be managed in one of two ways:
- by not participating in consideration of, or decision making in relation to, the matter in which you have the significant non-pecuniary conflict of interest and the matter being allocated to another person for consideration or determination, or
  - if the significant non-pecuniary conflict of interest arises in relation to a matter under consideration at a council or committee meeting, by managing the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.28 and 4.29.
- 5.11 If you determine that you have a non-pecuniary conflict of interest in a matter that is not significant and does not require further action, when disclosing the interest you must also explain in writing why you consider that the non-pecuniary conflict of interest is not significant and does not require further action in the circumstances.
- 5.12 If you are a member of staff of council other than the Chief Executive Officer, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of your manager. In the case of the Chief Executive Officer, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of the mayor.
- 5.13 Despite clause 5.10(b), a councillor who has a significant non-pecuniary conflict of interest in a matter, may participate in a decision to delegate consideration of the matter in question to another body or person.
- 5.14 Council committee members are not required to declare and manage a non-pecuniary conflict of interest in accordance with the requirements of this Part where it arises from an interest they have as a person chosen to represent the community, or as a member of a non-profit organisation or other community or special interest group, if they have been appointed to represent the organisation or group on the council committee.

**Important Information**

This information is being collected for the purpose of making a special disclosure of pecuniary interests under clause 4.36(c) of the Model Code of Conduct for Local Councils in NSW (the Model Code of Conduct).

The special disclosure must relate only to a pecuniary interest that a councillor has in the councillor's principal place of residence, or an interest another person (whose interests are relevant under clause 4.3 of the Model Code of Conduct) has in that person's principal place of residence.

Clause 4.3 of the Model Code of Conduct states that you will have a pecuniary interest in a matter because of the pecuniary interest of your spouse or your de facto partner or your relative or because your business partner or employer has a pecuniary interest. You will also have a pecuniary interest in a matter because you, your nominee, your business partner or your employer is a member of a company or other body that has a pecuniary interest in the matter.

"Relative" is defined by clause 4.4 of the Model Code of Conduct as meaning your, your spouse's or your de facto partner's parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child and the spouse or de facto partner of any of those persons.

You must not make a special disclosure that you know or ought reasonably to know is false or misleading in a material particular. Complaints about breaches of these requirements are to be referred to the Office of Local Government and may result in disciplinary action by the Chief Executive of the Office of Local Government or the NSW Civil and Administrative Tribunal.

This form must be completed by you before the commencement of the council or council committee meeting at which the special disclosure is being made. The completed form must be tabled at the meeting. Everyone is entitled to inspect it. The special disclosure must be recorded in the minutes of the meeting.

---

<sup>1</sup> Clause 4.1 of the Model Code of Conduct provides that a pecuniary interest is an interest that a person has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the person. A person does not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision the person might make in relation to the matter, or if the interest is of a kind specified in clause 4.6 of the Model Code of Conduct.

<sup>2</sup> A pecuniary interest may arise by way of a change of permissible use of land adjoining, adjacent to or in proximity to land in which a councillor or a person, company or body referred to in clause 4.3 of the Model Code of Conduct has a proprietary interest

## RECOMMENDATION

That it be a recommendation to the Director Infrastructure:

That Council approve the temporary road closures and support the associated transport management arrangements associated with the 2021 Ironman Triathlon Australia on Sunday 2 May 2021, subject to the following conditions:

1. That the event organiser advertise, at no cost to Council, the following details of all temporary road closures and temporary parking restrictions associated with this event in the local print media on separate days, at least twice (2) within 14 days prior to the event:
  - temporary road closure times
  - duration of the temporary road closures temporary parking restrictions
  - times and duration
  - alternative routes and access arrangements.
2. That the event organiser advertise the event by undertaking a letter box drop to all residents and businesses directly affected by the temporary road closures and temporary parking restrictions at least 14 days prior to the event, advising the following:
  - event name
  - event times
  - contact details of at least two (2) people involved in the organisation of the Event, in case of an emergency
  - proposed actions to be undertaken to mitigate the impact of the temporary road closures and temporary parking restrictions.
3. That the Traffic Management Plan and associated Traffic Guidance Scheme dated 3 February 2021 be implemented. Any modifications to the plans must be agreed with Council prior to the running of the event.
4. That the event organiser abides by the written approval and conditions from the NSW Police.
5. That the event organiser notify the NSW Ambulance, NSW Fire & Rescue and the State Emergency Service of the proposed road closures at least 14 days in advance of the event.
6. That the event organiser notifies local Transport Services (Bus Companies, Taxis) of the proposed road closures at least 14 days in advance of the event and assists in developing alternatives for affected users.

7. **RMS accredited persons are to be used for the establishment of traffic control devices, control of traffic and removal of the traffic control devices.**
8. **That all signage erected for the event to not cause a hazard for motorists or pedestrians and be removed immediately following the completion of the event.**
9. **That the event organiser abides by any other condition that Council and the Police may impose at any time.**
10. **That the event organiser submit to Council 14 days prior to the commencement of the event evidence of Public Liability Insurance for the amount of \$20 million, which is valid for the duration of the event, including placement and removal of traffic control devices.**
11. **The event organiser must have this approval and the Traffic Management Plan and Traffic Guidance Scheme described above on site at all times for the duration of the event.**
12. **That a review of the implementation of the Transport Management Plan (TMP) be undertaken by the proponent within three months of the conclusion of the event. The review is to be in consultation with Council and other services so that the TMP can be further refined and any issues identified can be addressed prior to any future events.**

### Discussion

The 2021 Ironman Triathlon Australia event will be held on Sunday 2 May 2021 managed by Ironman Asia-Pacific. It involves two events held on the same day:

- Ironman 70.3 Port Macquarie event involves approximately 1,200 competitors male and female progressively racing a 1.9km swim (Hastings River), 90km bike (over 1 lap including various Port Macquarie, Bonny Hills, North Haven, Laurieton and Dunbogan local streets) and a 21.1km run (over 2 laps including various Port Macquarie local streets).
- Ironman Australia event involves approximately 1,400 competitors male and female progressively racing a 3.8km swim (Hastings River), 180km cycle (over 2 laps including various Port Macquarie, Bonny Hills, North Haven, Laurieton and Dunbogan local streets) and a 42.2km run (over 4 laps including various Port Macquarie local streets).

Competitors will progressively finish between approximately 10:30pm and 12.35am (Monday). The swim leg will be completed by 9:55am and the bike leg by 5:35pm. Refer to attachment for the course maps.

The event involves the closure of many roads, pathways, car parks, and boat ramps, as described below. Bus routes will also be changed for the event.

A range of stakeholders have been involved in the planning for the event including the event organiser, Council, the Police and Transport for NSW (TfNSW).

The Course Maps, Traffic Management Plan (TMP), Traffic Guidance Schemes (TGS), Road Impact Summary and Community Consultation Schedule are included as attachments. Additionally there is a web link to the interactive course map provided in the Summary section below.

2021 Traffic Management Changes

COVID Safe Event requirements have resulted in three distance changes to traffic management from past events being:

- Buller St Short St round about closure, on race day 2 April 2021. Bike turn around utilising Buller and Short Street roundabout to accommodate for new Special Needs location in Food For Less Carpark to allow for social distancing. Refer to TGS 3 for revised round about closure
- Town Square car park closure, period 25<sup>th</sup> April 12.00pm - 5<sup>th</sup> May 6:00am 2021. Check in, Merchandise and Expo required to be located outdoors. Refer TMP section 3.4.1
- Westport Boat Ramp Car Park half closure, 21<sup>st</sup> April 1.00am - 6<sup>th</sup> May 11.59pm 2021. The half car park closure period has been extended from previous years, the event finish line will be moving to Westport Park which will require additional infrastructure in this area and greater vehicle movements. Refer TMP section 3.4.2

The Ironman event organisers in conjunction with Council's Events team will be responsible for advertising and communicating the events and proposed changes for 2021 with the public and all affected stakeholders, including nearby businesses to ensure the changes are adequately communicated.

Roads

The following roads on the bike and run course will be closed (either whole road or part of the road):

Bold Street	Lighthouse Road	Settlement Point Road
Buller Street	Matthew Flinders Drive	Short Street
Camden Head Road	Munster Street	Stewart Street
Clarence Street	Murray Street	Sunset Parade
Davis Crescent	Ocean Drive	The Boulevard
Diamond Head Road	Pacific Drive	William Street
Lake Street	Park Street	
Laurie Street	Reid Street	

Access to various side streets along the course will also be restricted.

Roads on the bike course will be progressively closed, at the discretion of the Race Director and Police, from approximately 3:30am in Port Macquarie until 7:00am in the Camden Haven.

Barricades are to be placed from as early as 3:30am but traffic controllers will use discretion to allow movement of traffic until race participants begin arriving at the traffic control locations along the course. All residents with driveways on course will be consulted as outlined in section 4.1 of TMP attached.

Roads will be progressively reopened once the last competitor has passed through or a designated cut-off time has been reached. Reopening plan is outlined in section 3.10 of TMP and further details can be found in the attached Road Impact Summary attachment.

Pathways

The following pathways on or adjacent to the run course will be closed:

- Breakwall Town Green - Town Beach
- Sunset Parade
- Town Green
- Buller Street bridge
- Westport Park foreshore
- Park Street

Bus Routes

Busways services will be altered on Sunday 2 May 2021, affected services and diversion routes are included in attached TMP under section 3.3. The Clarence Street bus stop near the Glasshouse will be temporarily relocated to Western side of Murray Street opposite the church when implemented.

Hastings River Ferry

The Settlement Point Ferry across the Hastings River will be closed on Sunday 5 May 2019 but the Hibbard Ferry will operate as normal.

Car Parks

The Town Green car park will be closed for the period of 25<sup>th</sup> April 12pm - 5<sup>th</sup> May 6:00am 2021

The full Westport Boat Ramp car park will be closed for the period of 25<sup>th</sup> April 12pm - 5<sup>th</sup> May 6:00am 2021 and 1st May 1am - 6<sup>th</sup> May 11:59pm 2021

All other car parks on the bike and run course will be closed progressively from 4:00am on Sunday 2 May 2021 to 1:00am on Monday 3 May 2021.

Key affected carparks include:

- Westport Volunteer Marine Rescue
- Short Street 'Food for Less' & Fishermen's Co-op car park
- Town Beach north & south
- Flynns Beach and area opposite Flynn Street
- Shelly Beach north & south
- Nobbys Beach/Nobbys Hill Rocky Beach
- John Downes Park
- Gaol Point
- Allman's Hill
- Settlement Point
- Sea Acres
- North Haven Boat Ramp car park (fishermen will be granted access where possible)

Individual car park closure times are itemised in the attached Road Impact Summary.

**Boat Ramps**

Boat ramps progressively close from 12:00am - 6:00am Sunday 2<sup>nd</sup> May and reopen progressively from 5:00pm Sunday 2<sup>nd</sup> May. Breakdown is outlined in the attached Road Impact Summary.

With the exception of Westport Park Boat Ramp, closing earlier from 12.00am Thursday 29<sup>th</sup> April reopening 11:59pm Monday 3<sup>rd</sup> May.

3.3.2 Taxis

The taxi service will be required to be restricted in accordance with the usual road closure protocols as detailed elsewhere. This service will be approached as per previous events.

3.4 Car Park Closures

3.4.1 Town Square

**New in 2021** to align with a COVID Safe Event we are taking Check in, Merchandise and Expo outdoors. We are requesting the use of Town Square for the following dates.

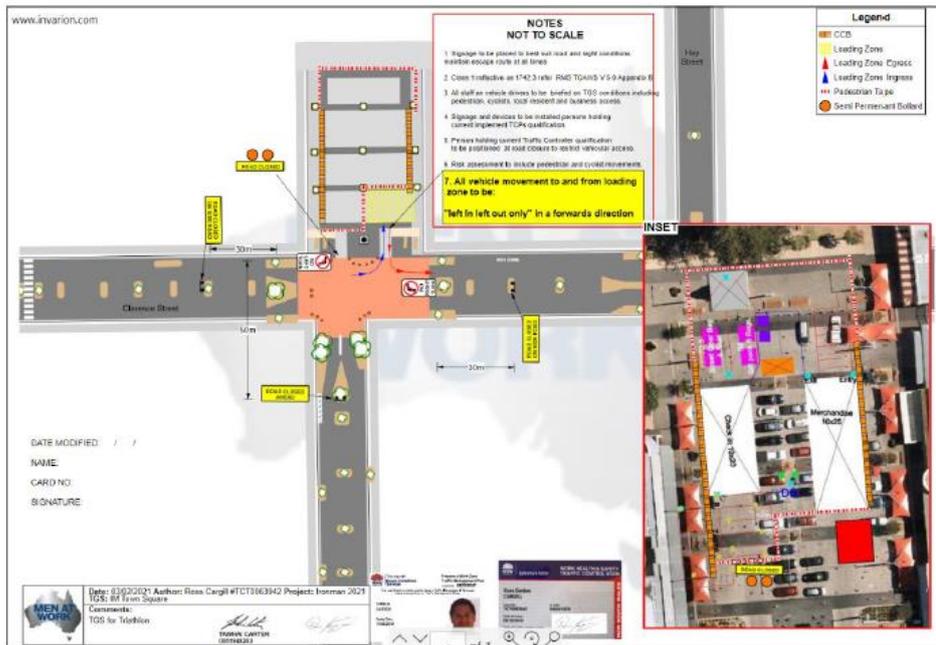

Bump In	Operating Days	Bump Out
Sunday 25th April 12pm (post Anzac Day celebrations)	Thursday 29 April – Monday 3 May	Wednesday 5th May 6am

The closure will be put in place by Men at Work with the semi-permanent bollards to be put in place during the closure.

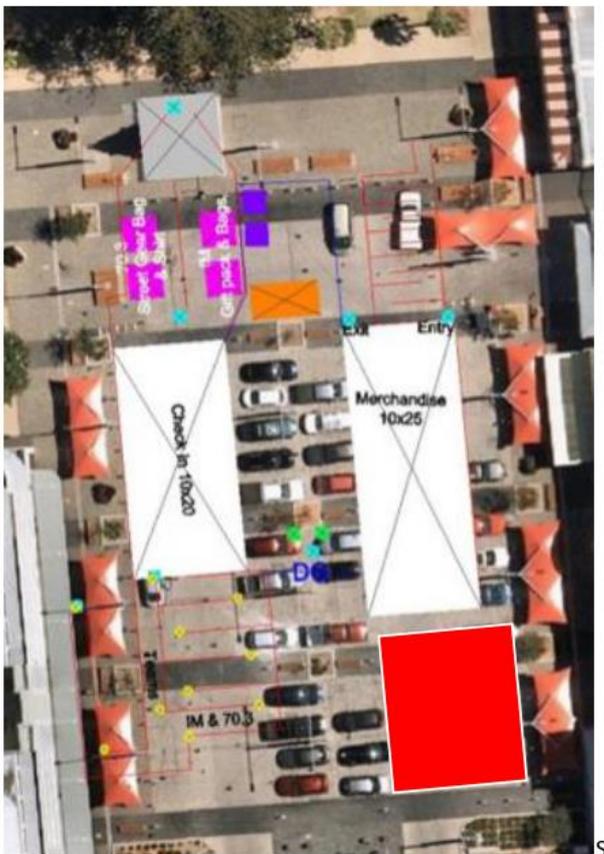

**Considerations to local businesses**

- Red square section maintained as an access point for deliveries. IM will work with local businesses to work out best delivery times during this period.
- Sides of both check in and Merchandise will be open with CCB fencing along the side which will open up the area and maintain visibility to businesses from within the marquee
- Reallocation of disabled car parks to Short Street and Hay Street
- During Bump in and Bump Out the whole area will be surrounded in bollard and tape to enclose a safe work zone and all forklift movements will be escorted by a spotter
- Overnight security will be present for the duration of the build.

Town Square TGS

SITE PLAN

3.4.2 Westport Park Boat Ramp Car Park

**NEW in 2021** this half car park closure time will be extended. Due to requirements of a COVID Safe Event the finish line will be moving to Westport Park which will require additional infrastructure in this area and greater vehicle movements. See red section on map below

Bump In	Operating Days	Bump Out
Wednesday 21 April 1:00am	Sunday 2 <sup>nd</sup> May	Thursday 6 May 11:59pm

3.5 Road, Boat Ramp and Footpath Closures

See appendix 5.3 for Road, Boat Ramp and Footpath closures required for this event. All road closures for event day on 2<sup>nd</sup> May will remain the same as 2019. However during bump in and bump out there are additional closure requests for the use of Town Square.

3.6 Ferry Services

A private ferry service run by the Dunbogan Boat Shed will again be operating on event day to allow residents to access Dunbogan, Laurieton, Camden Haven and North Haven whilst the event is on. This is in the process of being booked and confirmed with Damien at Dunbogan Boat Shed.

3.10 Road Reopening

Time	Procedure
1:50pm	Last athletes identified on commencement of last lap and sweep vehicle escort assigned.
3:36pm	Traffic Management Company Men at Work (MAW) progressively advise marshals of last cyclist once cyclist has turned at the turnaround point on Diamond Head Road, Diamond Head
3:54pm	Police and Race Director assess number of athletes still on course and instruct Traffic Management Company accordingly to open roads southbound and northbound on Ocean Drive, The Parade, Lake Street, Laurie Street, The Boulevard, Camden Head Road and Diamond Head Road, but only after the last athlete has turned at the Diamond Head Road turnaround

	MAW contacts Police Motorcyclists, Bike Director and Bike Section Leaders during progress of last athlete
4:15pm	Marshals use discretion to allow traffic flow onto Ocean Drive
5:00pm	Work team dismantles detour signage and collects all barricading. Marshalls dismantle road barriers at time of opening and stack for collection
5:30pm	When last athlete reaches William and Stewart Streets and is clear of Pacific Drive, traffic can flow both north and south on William Street and Pacific Drive. Stewart, Grant and Clarence Streets will remain closed until the event end as runners will be on these roads until just before race finish.

### 3.11 Contingency plans

For information regarding The IRONMAN Group's contingency and crisis management, please refer to the IRONMAN Australia's Contingency Management Plan.

## 4. Minimising impact on non-event community

### 4.1 Access for local residents, business, hospital and emergency vehicles

This event will impact significantly upon the community at large, please below for the areas of concerns and the proposed mitigation strategies.

Area of Concern	Mitigation Strategies
<b>Local Residents</b>	Letter drops to residents directly on the cycle course will be carried out. General media releases/signage and additional communications will inform all other potentially affected motorists.
<b>Settlement Point/North Shore Residents:</b>	It is proposed that the SP Ferry and Settlement Point Road be closed on Sunday of event weeks from 8:00am – 1:00am for the run leg. There will be a need to control traffic flow for one way only for local residents. This will be co-ordinated between Settlement Point Road/Park Street/The Anchorage and the Settlement Point Ferry end using the two way radio system and trained traffic controllers. This has worked well at previous events.  A specific letter drop will be made to Settlement Point and North Shore residents warning of runners on the road and of the closure of the Ferry and need for use of the Hibbard Ferry.
<b>Port Macquarie Residents</b>	Generally the greater Port Macquarie residential areas are not affected by the event with the exception of those on Clarence Street through to Lighthouse Rd, Davis Crescent and to Matthew Flinders Drive/Ocean Drive roundabout. Letter drops will be carried out for these residents. The Golf Club has been advised of the event and as in past years arrangements and traffic control will be made to allow golfers access and egress.
<b>Lake Cathie residents east of Ocean Drive</b>	It is proposed that these residents for emergency travel can exit south at the Middlerock Road intersection and then across Ocean Drive to Abel Tasman Drive via Miala Street (see separate Emergency Egress/Access Protocol)  Residents seeking access to the Shopping Centre will be advised to park on the reserve between Kywong Street and Miala Street via Chepana Street and proceed on foot to the pedestrian safety crossing where this will be controlled by marshals.
<b>Lake Cathie residents west of Ocean Drive</b>	For emergency travel can exit south via Abel Tasman Drive as per the TGS with a control point at Abel Tasman/Ocean Drives intersection for emergency access south to Houston Mitchell Drive (see separate Emergency Egress/Access Protocol)
<b>Lake Cathie residents west of Ocean Drive north of bridge</b>	for emergency exit will be requested to proceed to the intersection of Evans Street south where a police motorcycle escort will take them south over the bridge to Aqua Crescent. Those residents on foot will be provided with motor vehicle transport for

	similar exit and depending upon the emergency (see separate Emergency Egress/Access Protocol)
<b>Bonny Hills residents both east and west of Ocean Drive</b>	For emergency travel can exit north via Ocean Drive as per the TGS with a control point at Bonny View Drive/Ocean Drive, Seawind Chase/Ocean Drive, McGilvray Road/ Ocean Drive and Third Avenue/Ocean Drive intersections for emergency access north to Houston Mitchell Drive (see separate Emergency Egress/Access Protocol)
<b>North Haven residents both east and west of Ocean Drive/The Parade</b>	For emergency travel can exit west via Ocean Drive/The Boulevard as per the TGS with control points at The Parade /Ocean Drive and Bridge Street/Ocean Drive intersections for emergency access west via Ocean Drive.
<b>Laurieton residents east of Lake Street</b>	For emergency travel can exit west via Ocean Drive/The Boulevard as per the TGS with control points at The Parade /Ocean Drive and Bridge Street/Ocean Drive intersections for emergency access west via Ocean Drive
<b>Laurieton residents east of Bold Street and south of Laurie Streets</b>	For emergency travel can exit north via Bold Street as per the TGS
<b>Dunbogan/Camden Head/Diamond Head residents</b>	For emergency travel can exit north via Bold Street as per the TGS
<b>Airport Traffic</b>	will not be affected.
<b>Sporting Clubs/Community Groups</b>	All clubs and groups will be advised of the event details and seeking co-operation for alternate club/group activities on race day
<b>Port Macquarie Volunteer Marine Rescue</b>	this organisation will be advised that vehicle access to their establishment will not be possible from 4.00 am to 12:00 pm. Their personnel can access the establishment on foot at any time. In respect to their water activity, the service is involved with the event, will position their craft on the eastern side of the swim course and will act as a safety warning vessel for incoming craft during the swim leg of the event.
<b>Business</b>	It is expected that businesses will acknowledge the benefits and economic impact from this major national sporting event. If necessary all businesses on the bike course believed to be potentially affected by the proposed road closures will be requested to attend meetings to discuss any concerns.
<b>Port Macquarie Golf Club</b>	The arrangements for staff and members to access the Club using a special allocated vehicle pass under traffic control worked very successfully for all past events and the same arrangements will be put into effect.
<b>Accommodation establishments – Arrivals and Departures</b>	Accommodation establishments will be advised of the road closures in line with all businesses and seeking their co-operation in advising their guests to depart prior to 6.30am where possible or make alternate parking arrangements prior to this time also. Individual problems will be handled as they arise closer to the event date. Crowd Control barricading will not be interlocked nor will this affect motel entrances, to enable egress. As indicated elsewhere, Murray Street barricading will be unlocked for Police and the Rydges Hotel and El Paso Motel will have access along with residents and other business houses. The Mid Pacific Motel guests have been able to depart without undue delay and under traffic control. With the planned changes to the bike turnaround and finish any problem will be greatly eased
<b>General Pedestrian Access to Shops, Beaches</b>	There are specific crossings marked on the TGS's for the general public to cross the bike course
<b>Town Green and Westport Park and boat ramp</b>	The entire Town Green area will be used over the three week period from 26th April to 10th May 2019. A separate application has been made for the Westport Park (for functions and run leg) and Town Green use

#### 4.2 Management of Public Vehicles on Course

The event's traffic guidance scheme (TGS) will indicate all sections of course in which ticketed traffic controllers will be present. Vehicles are only permitted to enter the course at these sections, unless instructions have been given to Corse Marshals by Emergency Services or EOC.

Barriers boards will be installed at all sections of course where it assessed that a vehicle may be able to enter.

Event Crew will be verbally briefed on the management of cars entering the course from driveways. All residents with driveways on course will be consulted as outlined in section 4.1 of this document.

#### 4.3 Advertisement of traffic management arrangements

**Newspaper and Radio advertising:** - Extensive media coverage of the proposed course and road closures is planned through March - April using local radio and print media.

**Resident Letter Notifications** – All impacted residents will receive road letter notifications in their letter box prior in the 2 weeks leading up to the event advising of road closures.
