Item: 06.02

Subject: MAYORAL MINUTE - PETITION - KING CREEK ROAD AND OXLEY HIGHWAY INTERSECTION

Mayor, Peta Pinson

RECOMMENDATION

That Council:

- 1. Note the petition received by residents regarding the King Creek Road and Oxley Highway intersection.**
- 2. Request the Chief Executive Officer to write to the Hon Leslie Williams MP (Member for Port Macquarie), the Hon Melinda Pavey MP (Member for Oxley) and the Hon Paul Toole (Minister for Transport & Roads) as a matter of urgency raising the safety concerns of the King Creek Road and Oxley Highway Intersection and seeking their advice on plans to upgrade the intersection.**
- 3. Write to the organisers of the petition outlining Council's actions.**

Discussion

A petition has been received by Council from some 1,000 residents raising safety concerns with the King Creek Road and Oxley Highway intersection. This follows on from an epetition with 630 signatures recently tabled in Parliament by the Hon Leslie Williams MP.

In accordance with Council's "Petitions Policy", petitions lodged with Council containing 100 signatures or more will be included on the agenda of the next available Ordinary Council Meeting of Council where the agenda has not already been determined with a recommendation for notation.

Due to the escalating safety concerns of residents in relation to the intersection, this petition is submitted as a Mayoral Minute due to its urgency for determination at this Council Meeting.

A copy of the petition is tabled for information.
