1.0 INTRODUCTION

The Aboriginal Advisory Group (AAG) will provide input to Council regarding issues affecting the Aboriginal and Torres Strait Islander community in Port Macquarie and provide the Aboriginal and Torres Strait Islander community with capacity to inform Port Macquarie-Hastings Council's decision-making processes.

Broadly, the Advisory Group will enable Port Macquarie-Hastings Council (Council) to meet its Community Strategic Plan, in particular those parts of the plan that relate to Aboriginal and Torres Strait Islander people.

The Advisory Group will also provide a point of contact for Council's broader consultation with the Aboriginal and Torres Strait Islander community and promote Aboriginal initiatives and celebrations auspiced by Port Macquarie-Hastings Council.

CONSENSUS:

That the Aboriginal Advisory Group note the Code of Conduct for Port Macquarie-Hastings Council Committees.

07 WELCOME NEW MEMBERS AND INTRODUCTIONS

Mayor Peta Pinson welcomed the new Advisory Group and gave members the opportunity to introduce themselves. Each member provided a short introduction about themselves and who they represent.

The Advisory Group discussed the membership as it was unclear why some members were in the Traditional Owner category and who determined that they are Traditional Owners.

It was explained that every application, where the applicant lives in the Port Macquarie-Hastings Local Government Area, was recommended to Council to form the membership of the Advisory Group. In the application process it was up to the applicant to select which category they were applying for, and this is how the membership was formed. With this, there were four applications in the Traditional Owners category. Council resolved to

amend the Charter to represent the four applications received as it is not the role of Council to determine if the applicant is a Traditional Owner or not.

The Group agreed the wording of "Traditional Owner Representative" was confusing, and it was agreed by the Group to remove the word "Representative" from this membership category.

CONSENSUS:

1. That the Aboriginal Advisory Group note the new membership and provide a short self-introduction to other members.
2. That the word Representative is removed from the membership title of Traditional Owner Representative.

08 ABORIGINAL ADVISORY GROUP CHARTER AND RESPONSIBILITIES

Mayor Peta Pinson spoke to the Aboriginal Advisory Group Charter and the responsibilities of the Advisory Group.

It was discussed that the Group would like to Co-Design with Council and be involved with discussing Council's plans and projects in the early stages, not get told what they will be after they are decided on.

There were concerns raised by the group that the Birpai Local Aboriginal Land Council (LALC) membership was vacant. It was explained that no applications were received for this membership. The Group asked for Council to write to Birpai LALC to ask them to put forward a representative for the Advisory Group membership.

The group discussed that Traditional Owners Group Guulaguba Barray Aboriginal Corporation be added to the membership. The Group asked for Council to write to Guulaguba Barray Aboriginal Corporation to ask them to put forward a representative for the Advisory Group membership.

CONSENSUS:

1. That the Aboriginal Advisory Group note the Aboriginal Advisory Group Charter and the responsibilities of the Group.
2. That Council to write to Birpai LALC requesting the Board to put forward a representative who will hold the Birpai LALC membership on the Aboriginal Advisory Group.
3. That Guulaguba Barray Aboriginal Corporation be added to the membership.

Pecuniary Interest

- 4.1 A pecuniary interest is an interest that you have in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to you or a person referred to in clause 4.3.
- 4.2 You will not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision you might make in relation to the matter, or if the interest is of a kind specified in clause 4.6.
- 4.3 For the purposes of this Part, you will have a pecuniary interest in a matter if the pecuniary interest is:
- (a) your interest, or
 - (b) the interest of your spouse or de facto partner, your relative, or your partner or employer, or
 - (c) a company or other body of which you, or your nominee, partner or employer, is a shareholder or member.
- 4.4 For the purposes of clause 4.3:
- (a) Your "relative" is any of the following:
 - i) your parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child
 - ii) your spouse's or de facto partner's parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child
 - iii) the spouse or de facto partner of a person referred to in paragraphs (i) and (ii)
 - (b) "de facto partner" has the same meaning as defined in section 21C of the *Interpretation Act 1987*.
- 4.5 You will not have a pecuniary interest in relation to a person referred to in subclauses 4.3(b) or (c)
- (a) if you are unaware of the relevant pecuniary interest of your spouse, de facto partner, relative, partner, employer or company or other body, or
 - (b) just because the person is a member of, or is employed by, a council or a statutory body, or is employed by the Crown, or
 - (c) just because the person is a member of, or a delegate of a council to, a company or other body that has a pecuniary interest in the matter, so long as the person has no beneficial interest in any shares of the company or body.

Non-Pecuniary

- 5.1 Non-pecuniary interests are private or personal interests a council official has that do not amount to a pecuniary interest as defined in clause 4.1 of this code. These commonly arise out of family or personal relationships, or out of involvement in sporting, social, religious or other cultural groups and associations, and may include an interest of a financial nature.
- 5.2 A non-pecuniary conflict of interest exists where a reasonable and informed person would perceive that you could be influenced by a private interest when carrying out your official functions in relation to a matter.
- 5.3 The personal or political views of a council official do not constitute a private interest for the purposes of clause 5.2.
- 5.4 Non-pecuniary conflicts of interest must be identified and appropriately managed to uphold community confidence in the probity of council decision-making. The onus is on you to identify any non-pecuniary conflict of interest you may have in matters that you deal with, to disclose the interest fully and in writing, and to take appropriate action to manage the conflict in accordance with this code.
- 5.5 When considering whether or not you have a non-pecuniary conflict of interest in a matter you are dealing with, it is always important to think about how others would view your situation.

Managing non-pecuniary conflicts of interest

- 5.6 Where you have a non-pecuniary conflict of interest in a matter for the purposes of clause 5.2, you must disclose the relevant private interest you have in relation to the matter fully and in writing as soon as practicable after becoming aware of the non-pecuniary conflict of interest and on each occasion on which the non-pecuniary conflict of interest arises in relation to the matter. In the case of members of council staff other than the Chief Executive Officer, such a disclosure is to be made to the staff member's manager. In the case of the Chief Executive Officer, such a disclosure is to be made to the mayor.
- 5.7 If a disclosure is made at a council or committee meeting, both the disclosure and the nature of the interest must be recorded in the minutes on each occasion on which the non-pecuniary conflict of interest arises. This disclosure constitutes disclosure in writing for the purposes of clause 5.6.
- 5.8 How you manage a non-pecuniary conflict of interest will depend on whether or not it is significant.
- 5.9 As a general rule, a non-pecuniary conflict of interest will be significant where it does not involve a pecuniary interest for the purposes of clause 4.1, but it involves:
- a) a relationship between a council official and another person who is affected by a decision or a matter under consideration that is particularly close, such as a current or former spouse or de facto partner, a relative for the purposes of clause 4.4 or another person from the council official's extended family that the council official has a close personal relationship with, or another person living in the same household
 - b) other relationships with persons who are affected by a decision or a matter under consideration that are particularly close, such as friendships and business relationships. Closeness is defined by the nature of the friendship or business relationship, the frequency of contact and the duration of the friendship or relationship.
 - c) an affiliation between the council official and an organisation (such as a sporting body, club, religious, cultural or charitable organisation, corporation or association) that is affected by a decision or a matter under consideration that is particularly strong. The strength of a council official's affiliation with an organisation is to be determined by the extent to which they actively participate in the management, administration or other activities of the organisation.
 - d) membership, as the council's representative, of the board or management committee of an organisation that is affected by a decision or a matter under consideration, in circumstances where the interests of the council and the organisation are potentially in conflict in relation to the particular matter
 - e) a financial interest (other than an interest of a type referred to in clause 4.6) that is not a pecuniary interest for the purposes of clause 4.1
 - f) the conferral or loss of a personal benefit other than one conferred or lost as a member of the community or a broader class of people affected by a decision.
- 5.10 Significant non-pecuniary conflicts of interest must be managed in one of two ways:
- a) by not participating in consideration of, or decision making in relation to, the matter in which you have the significant non-pecuniary conflict of interest and the matter being allocated to another person for consideration or determination, or
 - b) if the significant non-pecuniary conflict of interest arises in relation to a matter under consideration at a council or committee meeting, by managing the conflict of interest as if you had a pecuniary interest in the matter by complying with clauses 4.28 and 4.29.
- 5.11 If you determine that you have a non-pecuniary conflict of interest in a matter that is not significant and does not require further action, when disclosing the interest you must also explain in writing why you consider that the non-pecuniary conflict of interest is not significant and does not require further action in the circumstances.
- 5.12 If you are a member of staff of council other than the Chief Executive Officer, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of your manager. In the case of the Chief Executive Officer, the decision on which option should be taken to manage a non-pecuniary conflict of interest must be made in consultation with and at the direction of the mayor.
- 5.13 Despite clause 5.10(b), a councillor who has a significant non-pecuniary conflict of interest in a matter, may participate in a decision to delegate consideration of the matter in question to another body or person.
- 5.14 Council committee members are not required to declare and manage a non-pecuniary conflict of interest in accordance with the requirements of this Part where it arises from an interest they have as a person chosen to represent the community, or as a member of a non-profit organisation or other community or special interest group, if they have been appointed to represent the organisation or group on the council committee.

You must not make a special disclosure that you know or ought reasonably to know is false or misleading in a material particular. Discussion

Public Art Master Plan

Council is committed to enabling the Port Macquarie-Hastings community to express their character and identity through public art, demonstrated through the development of Council's Public Art Policy and Public Art Guidelines. The next step is the creation of our Public Art Master Plan.

The creation of a Public Art Master Plan is a key deliverable from Council's 2018 - 2021 Cultural Plan. The Master Plan aims to improve social amenity through public art and identifies objectives that will guide delivery and lists opportunities for future public art inclusion. The overall direction is to develop public art projects that align with relevant Council strategies and plans.

Engagement with and input from our local Aboriginal community is vital to inform the development and implementation of the Master Plan. The Plan will guide future artwork commissions, site selection and more. Aboriginal community input will help ensure the Master Plan captures important historical and culturally significant considerations when planning new public art installations.

Council would like to reinvigorate discussion with our Aboriginal community about commissioning a significant Aboriginal public artwork.

In recent years, there has been engagement an installation of a number of significant artwork including, most recently Wakulda and pieces that make up the Wauchope Riverside Sculpture Trail. Prior to that, in 2015, Council's Aboriginal Liaison Officer conducted engagement with the local Aboriginal community to determine local stories that would be appropriate to share and to interpret through pieces of Aboriginal public art. Two stories were identified, these stories having meaning to both the Aboriginal and non-Aboriginal community.

The stories are both captured in the book 'Place of Banishment Port Macquarie 1818- 1832'. The first story informed the 'Together as One' art work which was designed, fabricated and unveiled during NAIDOC Week 2015. This public art piece

tells of the story of seven Aboriginal men saving seven European men from a pilot boat that overturned in the harbour on 10 December 1827. The second story tells of John Oxley and his explorers hearing the Aboriginal people call close to them - 'They presented themselves unarmed to the number of ten.'

This second story served as the inspiration for the creation of the 'The Ancestors' artwork (pictured below) created by local artists Jo Davidson and Sandy Elverd in 2003 for the 'City of the Arts' Aqua Sculpture event, an annual open air competition for ephemeral artwork installed along Town Green. In 2016 it was proposed that 'The Ancestors' artwork be commissioned and installed permanently on Town Green West to continue to represent a community coming together to tell stories and sharing history, however, this did not eventuate (but remains an option).

We welcome input from Aboriginal Advisory Group members on options to inform the scope and direction for a new artwork.

Subject: SUB-COMMITTEE NAME

Presented by: Strategy and Growth, Jeffery Sharp

RECOMMENDATION

That the Aboriginal Advisory Group discuss and adopt an agreed name for the Aboriginal Advisory Group.

Discussion

At the Ordinary Council Meeting held on 17 March 2021, it was resolved that the Aboriginal Advisory Group (AAG) would adopt an agreed name at their first meeting.

At this meeting, the Group will discuss and vote on a name for the Aboriginal Advisory Group.

To assist with the discussion, Council staff have looked at the names that are used in other Council areas. Aboriginal Advisory Group/Committee is the most widely used name across NSW Councils, such as Eurobodalla, Shoal Haven, Shell Harbour and Randwick City Councils. Additionally, the Snowy Valley Council have an Aboriginal Liaison Committee and the Mildura Rural City Council have an Aboriginal Action Committee.

Subject: EXPRESSIONS OF INTEREST FOR MEMBERSHIP OF OTHER SUB-COMMITTEES

Presented by: Strategy and Growth, Jeffery Sharp

RECOMMENDATION

That the Aboriginal Advisory Group:

- 1. Consider the request for expressions of interest from the Cultural Steering Group for membership to their Group.**
- 2. Note the potential opportunities to provide input on a range of Council issues as they are considered by the various Sub-Committees when required.**

Discussion

The Cultural Steering Group has expressed interest in inviting a member of the Aboriginal Advisory Group (AAG) to join their group as a member, noting that this would require an amendment to their Charter to be endorsed by Council to facilitate this.

The Cultural Steering Group meets monthly and provide a forum in which Local Government and community leaders can discuss and debate, plan and progress local and regionally significant cultural and creative outcomes that continue the growth of our community and our places in the Port Macquarie Hastings Local Government Area (LGA).

Staff will seek expressions of interest from the Group to be put forward to the Cultural Steering Group.

Additionally, Council has numerous Sub-Committees who from time to time, may wish to seek input from the AAG on Sub-Committee matters, either by inviting a member/s to their meeting, or by referring the matter to the Group for a coordinated response.

Staff will contact the Group when they receive requests for input from the Sub-Committees, seeking expressions of interest from members willing to provide their advice and feedback.

Information on Council's Sub-Committees can be found on our website by visiting:

Subject: REGIONAL MAP OF BOUNDARY BORDERS DISCUSSION

Presented by: Strategy and Growth, Jeffery Sharp

RECOMMENDATION

That the Aboriginal Advisory Group:

- 1. Discuss the best approach to developing a Regional Map of Boundary Borders.**
- 2. Identify key stakeholders that need to be included in the development of the map.**

Discussion

The Aboriginal Advisory Group (AAG) expressed interest at the July 2021 meeting to do some work around developing a Regional Map of boundary borders for Council to use as a reference in future planning. This map should include various borders that are relevant to the Aboriginal community such as land borders and traditional owner borders.

The Group are asked to discuss the best approach to developing this map, to ensure all borders are captured in the map, and also identify key stakeholders that are not part of the AAG, who should be involved in this process.

Once the approach is clear and agreed upon by the Group, we can invite other key stakeholders to future meetings to start workshopping what this Boundary Border map will include and look like.
