CONSENSUS:

That the Local Traffic Committee request:

1. Council consider the upgrade of the Hastings River Drive and Aston Street intersection, including the provision of suitable pedestrian crossings for future years Delivery Programs in accordance with wider Transport Planning Strategies and Plans.
2. Council officers consider the current pedestrian crossing for potential grant funding opportunities for road safety projects for the provision of flashing lights and improved signage.
3. Council officers liaise with Essential Energy regarding potential improvements to the surrounding streetlights.
4. Council officers provide updated images of Hasting River Drive pedestrian crossing to TfNSW on completion of vegetation maintenance.

**07 RESIDENT CONCERNS OVER DRIVER BEHAVIOUR - PLOMER ROAD
NORTH SHORE**

CONSENSUS:

1. That the Local Traffic Committee note Council's recommendations provided in the report and support Council officers' recommendations not to proceed with speed control measures.
2. That the Committee request:
 - a) Police consider increased enforcement on the North Shore
 - b) Council considers including Plomer Rd in the traffic data collection program scheduled for March 2022.

08 NSW TOUCH FOOTBALL SENIOR STATE CUP

CONSENSUS:

That it be a recommendation to the Director Community Infrastructure, under sub-delegation, for implementation:

1. That Council approve the temporary road closures and support the associated transport management arrangements associated with the NSW Touch Football Senior State Cup for a period of 1 year, subject to the following conditions:
 - a) The event approval being granted beyond the 2021 event is on condition the event format and associated community disruption remains functionally unchanged, or
 - b) If functionally different, to submit the event application in full as per standard procedures, and
 - c) The event notifications and exact timings as well as updated TGS's will continue to be provided to the LTC.
2. That Council also approve the temporary road closures associated with the 2021 NSW Touch Football Senior State Cup between 3-5 December 2021 subject to the following conditions:
 - a) That the event organiser advertise, at no cost to Council, the following details of all temporary road closures and temporary parking restrictions associated with this event in the local print media on separate days, at least twice (2) within 14 days prior to the event:
 - temporary road closure times
 - duration of the temporary road closures temporary parking restrictions times and duration
 - alternative routes and access arrangements.
 - b) That the event organiser advertise the event by undertaking a letter box drop to all residents and businesses directly affected by the temporary road

-
- closures and temporary parking restrictions at least 14 days prior to the event, advising the following:
- event name
 - event times
 - contact details of at least two (2) people involved in the organisation of the Event, in case of an emergency
 - proposed actions to be undertaken to mitigate the impact of the temporary road closures and temporary parking restrictions.
- c) That the associated Transport Management Plan (TMP) and Traffic Guidance Scheme be implemented. Any modifications to the plans must be agreed with Council prior to the running of the event.
- d) That the event organiser abides by the written approval from the NSW Police.
- e) That the event organiser notify the NSW Ambulance, NSW Fire & Rescue, NSW Rural Fire Service and the State Emergency Service of the proposed road closures at least 14 days in advance of the event.
- f) That the event organiser notifies Port Macquarie Airport of the proposed road closures and traffic management arrangements at least 14 days in advance of the event.
- g) That the event organiser notifies local Transport Services (Bus Companies, Taxis) of the proposed road closures at least 14 days in advance of the event and assists in developing alternatives for affected users.
- h) A TfNSW/SafeWork NSW accredited person (Implement Traffic Control Plans) is to be used for the establishment and removal of the traffic control devices.
- i) TfNSW/SafeWork NSW accredited traffic controllers (Traffic Controller) are to be used to control traffic.
- j) That the event organiser abides by any other condition that Council or the Police may impose at any time.
- k) That the event organiser submit to Council 14 days prior to the commencement of the event evidence of Public Liability Insurance for the amount of \$20 million, which is valid for the duration of the event, including placement and removal of traffic control devices.
- l) The event organiser must have this approval and the Transport Management Plan and Traffic Guidance Scheme described above on site at all times for the duration of the event.
- m) That a review of the implementation of the Transport Management Plan (TMP) be undertaken by the proponent within three months of the conclusion of the event. The review is to be in consultation with Council and other services so that the TMP can be further refined and any issues identified can be addressed prior to any future events.
